PROFESSIONAL SUMMARY

Entry-level Python Backend Developer with practical experience in building server-side applications using Python, Django, and SQL. Hands-on exposure through academic projects and internship experience, including backend logic, database handling, authentication workflows, and debugging. Quick learner with strong problem-solving skills, familiar with SDLC practices and structured development environments.

TECHNICAL SKILLS

- Programming Language: Python
- Backend Framework: Django
- Database: SQL, SQLite
- Backend Concepts: CRUD Operations, User Authentication, Authorization, Server-side Validation
- Tools: Git, GitHub, Visual Studio Code, PyCharm
- Development Practices: Debugging, SDLC Basics

INTERNSHIP EXPERIENCE

Python Programming Intern – System Tron (Jan 2024)

- Worked on backend-oriented Python programs focusing on application logic and structured coding practices.
- Implemented programs using functions, control structures, and file handling concepts.
- Identified and resolved logical and runtime issues through systematic debugging.

PROJECTS

An Efficient Deep Learning-Based Firearm Detection System Using YOLOv8

- Developed an academic project focused on firearm detection to support public safety scenarios.
- Conducted research on object detection techniques using publicly available technical resources.
- Implemented and analyzed YOLO-based models for firearm recognition.
- Performed a comparative study between YOLOv4 and YOLOv8 based on detection accuracy and performance metrics.
- Focused on system-level understanding, result evaluation, and technical documentation.

Personal Portfolio Website

- Designed and developed a responsive portfolio website using HTML, CSS, and JavaScript.
- Structured content to improve recruiter visibility and ease of navigation.
- Deployed the application on Vercel for fast and reliable hosting.

EDUCATION

B.Tech – Information Technology, K.S.R. College of Engineering, Tiruchengode | CGPA: 7.55 | 2025

HSC – Bharathi Balamandir Matric Higher Secondary School, Chinnasalem | 69.9% | 2021

SSLC – Sakthi Matric Higher Secondary School, Kaniyamoor | 57.4% | 2019

CERTIFICATIONS & ACHIEVEMENTS

- Second Prize – International Science Exhibition, RD International School
- Introduction to Python – Infosys & Springboard
- HTML & CSS Essentials Bootcamp – Let's Upgrade
- International Student Workshop on Data Science using Python
